## **Letter of appreciation**

Dear Dr. Pintu Sil,

We would like to express our gratitude for your support to Mr. Umakant Singh in his role as ITK Ambassador for India and the ITK Alumni Association. We were delighted to see the results of the workshop on Empowering Women through Volleyball held in October 2022.

Either we want to inform you that we have applied for funds from DAAD (German Academic Exchange Service) to run a project this year in India in sports for development, following the Sustainable Development Goals of the United Nations #5 – Gender Equality. Last week we received the confirmation of the grants for this project and we will be very happy to have the chance to work with you together to the success of this project and the possible legacy it might last.

I hope we can be in touch very soon to discuss about this year's project.

Best Regards from Leipzig
